LETTER FROM THE CHAIRMAN

Dear Shareholder,

**Phoenix Global Resources plc (the "Company")
Notice of Annual General Meeting**

I am writing to you with the arrangements for the Company's Annual General Meeting ("AGM") to be held on Wednesday 30 June 2021 at 11.00am at the offices of the Company at 6th Floor, King's House, 10 Haymarket, London SW1Y 4BP. The formal notice of AGM on pages 4 to 6 sets out the business to be considered at the AGM, together with explanatory notes to the resolutions on pages 7 to 8 of this document.

Impact of Covid-19 on the AGM

Covid-19 restrictions in place at the time of the 2020 AGM prevented shareholders from attending the meeting in person. Our preference had been to welcome shareholders to attend the 2021 AGM meeting in person. However, under current guidelines announced by the UK government, unfortunately we do not expect shareholders to be able to attend the 2021 AGM in person. Therefore, whilst this Notice of Meeting convenes the AGM, please note that, unless the guidance changes, shareholders will not be able to attend in person and attendance will be limited to the minimum number required to form a quorum, which will be facilitated by the Company.

Voting

It is important that shareholders do still cast their votes in respect of the business to be conducted at the AGM and we strongly urge all shareholders to register their vote in advance by appointing the chairman of the AGM as their proxy and giving voting instructions. Those who wish to ask a question of the Board relating to the business of the meeting can do so by sending an email to info@phoenixglobalresources.com and if appropriate we will endeavour to provide you with a response as soon as possible. Up to date information and any changes to the AGM arrangements contained in this Notice of AGM will be available on www.phoenixglobalresources.com.

Voting Arrangements

Subject to the Covid-19 government guidelines, details of voting arrangements are provided on page 9 of this notice including voting by proxy through CREST.

Recommendation

The directors believe each of the proposed resolutions to be in the best interests of the Company and its shareholders as a whole and unanimously recommend that you vote in favour of them, as they intend to do in respect of their own beneficial holdings.

Yours faithfully

Sir Michael Rake
Chairman

By order of the board

The following pages give an explanation of the proposed resolutions.

Resolutions 1 to 10 will be proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolutions 11 to 13 will be proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1 – Annual Report and Accounts

The Companies Act 2006 (the "Act") requires the directors of a public company to lay before the company in general meeting copies of the annual report and accounts in respect of each financial year. The Company proposes a resolution to receive its audited accounts and directors' and auditors' reports for the year ended 31 December 2020.

Resolutions 2 to 7 – Election and re-election of directors

The Company's current articles require each director to retire at the annual general meeting in the third calendar year following the year in which he or she was elected or last re-elected by shareholders. Notwithstanding the provisions of the Company's current articles, the Board has determined that each of the remaining directors shall retire from office at the AGM in line with best practice recommendations.

Resolutions 8 and 9 – Re-appointment of auditors and auditors' remuneration

Resolution 8 seeks approval for the re-appointment of PricewaterhouseCoopers LLP as the Company's auditors until the Company's next annual general meeting. This resolution is recommended by the Audit Committee and is endorsed by the Board. Resolution 9 authorises the directors to fix the auditors' remuneration. The Board consider that the level of consultancy-related non-audit fees relative to the level of audit fees undertaken by PricewaterhouseCoopers LLP is appropriate for the advisory work required to be undertaken for the year ended 31 December 2020 and that these do not create a conflict of interest on the part of the independent auditor.

Resolution 10 – Allotment of share capital

Resolution 10 deals with the directors' authority to allot shares. Share capital management guidelines published by the Investment Association confirm that its members will regard as routine an authority to allot up to two-thirds of a company's existing issued share capital, provided that any amount in excess of one-third of the existing issued shares should be applied to fully pre-emptive rights issues only. In light of these guidelines, the Board considers it appropriate that directors be granted authority to allot shares in the capital of the Company up to a maximum nominal amount of £185,771,386 (representing approximately 66% of the Company's issued ordinary share capital as at 21 May 2021*).

Of this amount, £92,885,693 (representing approximately 33% of the Company's issued ordinary share capital as at 21 May 2021*) can only be allotted pursuant to a rights issue. The rights issue authority will last until the conclusion of the Company's next annual general meeting or, if earlier, on the date 15 months after the passing of this resolution.

While the directors have no present intention of undertaking a rights issue or allotting new shares other than in connection with employee share schemes, the directors consider it appropriate to maintain the flexibility that this authority provides to be in a position to respond to market developments and to enable allotments to take place to finance business opportunities should they arise.

As at the date of this document, the Company holds 73,922 ordinary shares in the capital of the Company in treasury.

Resolutions 11 and 12 – Disapplication of statutory pre-emption rights

Resolutions 11 and 12 are special resolutions which, if passed by shareholders, will enable the Board to allot ordinary shares, or to sell any shares out of treasury, for cash, without first offering those shares to existing shareholders in proportion to their existing holdings.

Such powers reflect the Statement of Principles on Disapplying Pre-Emption Rights published in March 2015 by The Financial Reporting Council's Pre-Emption Group, which provides that a company may seek power to issue on a non-pre-emptive basis for cash shares in any one year representing: (i) no more than 5% of the company's issued ordinary share capital; and (ii) no more than an additional 5% of the company's issued ordinary share capital provided that such additional power is only used in connection with an acquisition or specified capital investment.

The 2015 Statement of Principles defines a "specified capital investment" as "one or more specific capital investment related uses for the proceeds of an issuance of equity securities, in respect of which sufficient information regarding the effect of the transaction on the listed company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return."

If resolution 11 (b) is passed by shareholders, it will permit the Board to allot ordinary shares for cash on a non-pre-emptive basis both in connection with a rights issue or similar pre-emptive issue and, otherwise than in connection with any such issue, up to a maximum nominal amount of £13,932,854. This amount represents approximately 5% of the Company's issued ordinary share capital as at 21 May 2021*. This customary resolution will permit the board to allot ordinary shares for cash, up to the specified level, in any circumstances (whether or not in connection with an acquisition or specified capital investment).

If resolution 12 is resolution is passed by shareholders, it will afford the Board an additional power to allot ordinary shares for cash on a non-pre-emptive basis up to a further maximum nominal amount of £13,932,854. This amount again represents approximately 5 per cent of the Company's issued ordinary share capital as at 21 May 2021*. The Board will use the power conferred by Resolution 12 only in connection with an acquisition or a specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

The authority contained in Resolutions 11 and 12 will expire upon the expiry of the corresponding authority to allot shares conferred in Resolution 10.

Resolution 13 – Authority to purchase own shares

Resolution 13 renews the Company's authority to buy back its own ordinary shares in the market as permitted by the Act. In accordance with investor guidelines, the authority limits the number of shares that could be purchased to 10% of the Company's issued share capital. If resolution 12 is passed by shareholders, it will permit the Board to buy back a maximum of 278,657,079 shares (representing approximately 10% of the Company's issued ordinary share capital as at 21 May 2021*) and sets minimum and maximum prices. This authority will expire at the conclusion of the Company's next annual general meeting or within 15 months from the date of the passing of this resolution (whichever is the earlier).

The directors have no present intention of exercising the authority to purchase the Company's ordinary shares but will keep the matter under review, taking into account the financial resources of the Company, the Company's share price and future funding opportunities. The authority will be exercised only if the directors believe that to do so would result in an increase in earnings per share and would be in the interests of shareholders generally. Any purchases of ordinary shares would be by means of market purchase through the London Stock Exchange.
